## Getting Ready to Move?

- How do I find a good Mover?
- Do I really need one?
- Do I need to make a deposit on my move?
- Can I trust the telemarketers who call me?
- How many estimates should I get?
- What kind of storage is right for my needs?
- What can I do to reduce the cost?
- What happens when I encounter a problem with the moving company?

**If you answered “I don’t know” to any of the above, Moving Link may be the solution for you!**

Moving Link’s client volume, estimating process, and no-cost, unbiased consulting provide leverage to secure the mover’s best crews, competitive pricing, and highest level of service to guarantee your moving success. Moving Link works for you-- NOT the mover.

### **We Reduce Your Stress:**

Moving Link works FOR you and is not there to sell you anything. We circumvent the “Fear, Uncertainty, and Doubt” games many of the movers play. You will receive corporate-level service and first-line experienced personnel from pre-screened moving and storage companies.

### **We Save You Time:**

One call... one person... many options! Moving Link does the work, so you can make the best choice. You are in control!

### **We Save You Money:**

Moving Link’s services are **free**.

### **Types of Consulting:**

- Residential Moving
  - Local, Intrastate, Interstate, and International
  - Packing, Unpacking, Crating, and Uncrating
- Storage
  - warehouse, self-storage, door-to-door type containers, records storage, commercial storage
- Commercial
  - Office; industrial; disconnect/reconnect computer services; modular furniture installation, reconfiguring, and moving; “in-house” moving; short-notice moving, records and commercial storage
- Corporate Relocations
  - Full-service or individually-designed services in an integrated approach with leading relocation companies
- Automobile transportation
